Hot Choc Brew Card

To brew

Easy Microwave Method (8oz Cup)

- 1) Place three heaped dessert spoons of chocolate flakes into a mug.
- 2) Fill the mug with milk and microwave for approximately two minutes.
- 3) Stir thoroughly and enjoy.

If you want the full luxury texture use a milk frother at the end to complete the experience.

Professional Steam Wand Method (8oz Cup)

- 1) Place three heaped dessert spoons of chocolate flakes in a metal jug.
- 2) Pour in the desired milk amount (225ml recommended)
- 3) Heat with the steam wand until hot
- 4) Pour into a suitable cup

This method is great for glass cups as the drink takes on a gorgeously smooth appearance and is full of character.
